To submit a request for an accounting of disclosures, please complete, sign and return the attached form to:

Privacy Officer
Compliance Office
St. Luke's Regional Medical Center

The attached form may be utilized to request an accounting of the disclosures of the medical or billing records maintained by us about you. Upon request, we are required to provide an accounting of the disclosures of your medical and billing records during the six years preceding your request.

We are not required to account for disclosures made for the purpose of carrying out treatment, payment or health care operations; disclosures made to you; disclosures of information maintained in our patient directory, or disclosures made to persons involved in your care, or for the purpose of notifying your family or friends about your whereabouts; disclosures for national security or intelligence purposes, disclosures to correctional institutions or law enforcement officials who had you in custody at the time of disclosure; disclosures that occurred prior to April 14, 2003; disclosures made pursuant to an authorization signed by you, incidental disclosures, or disclosures of a limited data set.

Likewise, we will not account for disclosures to certain research projects that did not require your prior authorization. We will, however, provide you with a list of all research projects that may have potentially received your information, and a description of the types of information that we released to them. If you reasonably believe that your information was released to a particular research project, we will assist you in contacting the entity sponsoring that research, upon request.

We may also be temporarily prohibited from accounting for disclosures made to health oversight agencies or law enforcement officials.

We usually respond to requests for accountings of disclosures within 60 days of receiving them. You may expect to receive a response or a notification of delay within that approximate time frame. The first accounting provided in any 12-month period is free of charge. All subsequent accountings within the same 12-month period will be subject to a charge, which must be paid before we will process the request for an accounting.

For more information about accountings of disclosures, you may contact the Privacy Officer at 208-493-0383. Note, however, that requests for accountings must be made in writing and verbal requests will not be accepted.
